

SDBRK3

FUSE PRO

- 3 amp
- Plugs into PC board for furnace, boilers, air handlers, unit heaters, roof top units, water heaters, and any system with a fused printed circuit board
- Auxiliary wires for more applications and hard to reach areas
- Built in light for dark control board locations
- For low voltage control circuit testing without wasting fast blow ATC fuses
- This device is for testing and diagnostics **ONLY** and is **NOT** intended for permanent use. It does **NOT** replace a factory accepted fuse.
