

SUPPLYING DEMAND®

ULTRA FINE FILTER KIT INSTRUCTIONS

SDWD49X24057

IMPORTANT: Unplug your appliance and turn off power at the breaker before servicing. If you have doubts or are unfamiliar with this type of installation work, seek the services of a qualified Service Technician. Supplying Demand assumes no responsibility for the improper installation of this product.

If the locking tab at the lower part of the filter appears as below, the filter and base plate must be replaced together.

If the locking tab at the lower part of the filter appears as below, the filter and base plate must be replaced together.

TO REPLACE THE BASE PLATE

1. Remove any residual water from the sump
2. Remove two 1/4" hex head screws securing the base plate to the sump
3. Remove the base plate by lifting out of the sump
